```

```

A diagram illustrating a header file dependency. At the top, a dark gray box contains the text 'src/generic/vcap.h'. Two blue arrows point downwards from the bottom edge of this box to two separate light gray boxes below. The left box contains 'apbscfg.h' and the right box contains 'maloc/maloc.h'. This indicates that 'src/generic/vcap.h' is a header file that is included by both 'apbscfg.h' and 'maloc/maloc.h'.
